

## **Compliance Inspection Form**

**Existing Subsurface Sewage Treatment Systems (SSTS)** 

Doc Type: Compliance and Enforcement

requirements and attached forms – additional local requirements may Submit completed form to Local Unit of Government (LUG) and within 15 days	
System Status	
System status on date (mm/dd/yyyy): _4/10/2019	
○ Compliant – Certificate of Compliance     (Valid for 3 years from report date, unless shorter time frame outlined in Local Ordinance.)	Noncompliant - Notice of Noncompliance (See Upgrade Requirements on page 3.)
Reason(s) for noncompliance (check all applicable)  Impact on Public Health (Compliance Component #1) – Imminent Other Compliance Conditions (Compliance Component Tank Integrity (Compliance Component #2) – Failing to Other Compliance Conditions (Compliance Component Soil Separation (Compliance Component #4) – Failing to Operating permit/monitoring plan requirements (Compliance	#3) – Imminent threat to public health and safety protect groundwater #3) – Failing to protect groundwater to protect groundwater
