Septic System Compliance

Dear Patricia Kuslich,

I am writing you in regards to our conversation on 2/10/2020. Per our conversation I have included the 2000 septic system permit, the recent compliance inspection report, and a non-compliance factsheet.

As I mentioned on the phone the Minnesota Pollution Control Agency (MPCA) is in charge of licensing and certifying septic system contractors. Nick Haig, 651-757-2536 or [nick.haig@state.mn.us](mailto:nick.haig@state.mn.us), is the Supervisor for certification and licensing program for septic professionals.

If you have any other questions feel free to contact me.

Sincerely,

Tyler Dale  
Senior Environmental Specialist
