2866 Legion Ave N  
Lake Elmo, MN 55042

**REGAURDING A RECENT SEPTIC SYSTEM COMPLIANCE INSPECTION**

The Washington County Department of Public Health & Environment (Department) administers Subsurface Sewage Treatment System (SSTS) regulations in Washington County.

The Department received a Notice of Non-Compliance from Washington County for an SSTS located at 2866 Legion Ave N, Lake Elmo, MN which was inspected on 5/13/2021.

The City of Lake Elmo has informed the Department that municipal sewer may be made available to this neighborhood. Please contact the City of Lake Elmo for more information on the possibility municipal sewer and the evaluation project.

In the interim Washington County will not be requiring replacement of the SSTS serving this property until we know the results of the feasibility study and if municipal sewer service will be made available within a specified timeframe.

Staff here are available to answer questions and further explain this development and our processes. If you have any questions or comments, please contact Tyler Dale at 651-430-6741.

Sincerely,

A handwritten signature in black ink that reads "Tyler Dale".
