REGARDIING RECENT SEPTIC SYSTEM COMPLIANCE INSPECTIONS

To Whom It May Concern,

The Washington County Department of Public Health and Environment (Department) administers Subsurface Sewage Treatment System (SSTS) regulations in Washington County. On 01/05/2022 the Department received a Notice of Non-Compliance from Midwest Sewer Services for a SSTS located at 11301 Inman Ave S, City of Cottage Grove which was inspected on 01/04/2022. On 01/19/2022 the Department received a Notice of Compliance from Kloepfner Services & Design, LLC for a SSTS located at 11301 Inman Ave S, City of Cottage Grove which was inspected on 01/17/2022.

Since Midwest Sewer Services issued a Notice of Non-Compliance and Kloepfner Services & Design issued a Notice of Compliance, local ordinance requires the disputing parties to follow the procedure outlined in Section 8.13 of the Washington County Development Code, Chapter Four, Ordinance #206.
