REGARDING A RECENT SEPTIC SYSTEM COMPLIANCE INSPECTION

The Washington County Department of Public Health and Environment (Department) administers Subsurface Sewage Treatment System (SSTS) regulations in Washington County. On 06/16/2022 the Department received a Notice of Non-Compliance from David R. Brown for an SSTS located at 11700 Lockridge Ave S, City Of Cottage Grove which was inspected on 06/02/2022.

Since David R. Brown has issued a Notice of Non-Compliance for the SSTS, local ordinance requires that the system must be repaired or replaced within six months. Financial assistance is available through Washington County in the form of low-interest loans and grants for low-income residents. Please visit www.washington.mn.us/septic for more information on financial assistance and the processes of repairing or replacing an SSTS.

The Department recognizes that repairing or replacing an SSTS can seem like a daunting task. Staff are available to answer questions and explain next steps. Please contact Sarah Borrell, Environmental Specialist at 651-430-6692 or Sarah.borrell@co.washington.mn.us for more information.

Sincerely,
